

Harbour Grande – Little Harbour, Anguilla

Harbour Grande is a classic, yet inspired, luxury resort development situated on the Caribbean Sea nearby mountain landscape of the island of St Marteen. It comprises 540 elegantly appointed guest rooms and suites featured alongside exceptional service. Additionally a 130 slip marina will be developed in future phase.

Accessibility:*By Air:* Anguilla is served by Clayton J. Lloyd International Airport (prior to 4 July 2010 known as Wallblake Airport). The primary runway at the airport is 5,462 feet (1,665 m) in length and is able to accommodate moderate-sized aircraft. Services connect to various other Caribbean islands via regional carrier LIAT, local charter airlines and others. Although there are no direct scheduled flights to or from continental America or Europe, Tradewind Aviation and Cape Air provide scheduled air service to San Juan, Puerto Rico. Airport can handle large narrow-body jets such as the Boeing 727, Boeing 737 and Boeing 757. *By Water:* There are regular ferries from Saint Martin to Anguilla. It is a 20-minute crossing from Marigot, St. Martin to Blowing Point, Anguilla. Ferries commence service from 7:00 am. There is also a Charter Service, from Blowing Point, Anguilla to Princess Juliana Airport (also known as Saint Maarten International Airport) to make travel easier. This way of travel is the most common method of transport between Anguilla and St. Martin or St. Maarten.

Why Choose Anguilla? Over the past twenty-five years Anguilla has developed a relatively small but high-end tourism sector. Those looking for a luxurious place for a second home would find Anguilla is a perfect match. Aimed at the high-end traveller, the tourist restaurants are as gourmet as any tourist will find in New York's Manhattan and as expensive. Anguilla offers breathtaking oceanfront and ocean view property for a fraction of the price that you would pay on "discovered" Caribbean islands.
