Play with a Purpose.

The Grande Racquet Club supports a private community of tennis enthusiasts and casual fans. It develops a robust membership from individuals looking for workout and social partners, families, couples bonding over a common interest, and corporate associates, to name a few. Supporting it all is a staff dedicated to the comfort, happiness, and security of every member.

Time-tested strategies form the foundation of instruction at this exclusive community. Camps and clinics, as well as group, private, and semi-private instruction teach the on- and off-court tactics, techniques, and mental fortitude needed to excel at the game. Flexibility in the lessons enables the program's tennis pros to deliver personalized instruction that matches a player's desired skill level and preferred mode of play, whether casual, competitive, or something in between. An onsite concierge helps members identify what workout, regimen, and tennis program to participate in each week.

As a social and sports club, the Grande Racquet Club presents a carefully curated assortment of community-minded events. In addition to round robins and member tournaments, the Racquet Club runs cocktail mixers, pro exhibitions, group wellness and fitness activities, and family-oriented programming. Responsive to community needs, the Racquet Club helps members get the most out of their schedule, while adapting overall programming to the community.
