CHARLOTTE, NC

Charlotte, North Carolina is a major financial center in the United States and the second largest banking center in the country. As the third fastest-growing city in America with a population of more than 500,000, Charlotte has seen exceptional recovery in its metropolitan housing market due to a lack of new single- and multi-family units. The population increased to 810,000 (+10.1%) between the last two official counts by the US Census Bureau. The increasing population, current and projected demand for housing, and a solid economic base is expected to raise prices for uptown and metropolitan condominiums and residences.

The greater Charlotte area has numerous appealing features for residents beyond its status as a business center, such as quality educational institutes, a range of professional sports teams, and attractive recreational areas. Notable universities and colleges in the region include Johnson & Wales University, Queens University of Charlotte, Johnson C. Smith University, Charlotte School of Law, York Technical College, Clinton Junior College, Winthrop University, and the University of North Carolina at Charlotte. Charlotte hosts the following celebrated sports teams and attractions: the Carolina Panthers of the NFL, the Charlotte Bobcats of the NBA, the NASCAR Hall of Fame, and the U.S. National Whitewater Center. Finally, the region benefits from the close proximity to recreational areas such as Lake Norman and Mountain Island Lake.

GRANDE CLUB AND RESIDENCES

Planned for one of two 100-acre plots in the northern quadrant of uptown Charlotte—known as “The Queen City”—the Grande Residences would incorporate a modern and upscale community alongside beautifully landscaped park areas with community spaces and bike trails. The master-planned community would enjoy luxury amenities such as the Paradise Health Spa & Wellness with pool and gym facilities, as well as a celebrity-branded tennis complex.

The Grande Residences will feature 240 single-family homes and 120 multi-family homes. These contemporary luxury homes are complete with the amenities and accompanying services to provide for an extraordinary lifestyle. By means of the highest aesthetic and architectural standards, the Residences will boast spacious layouts, well-equipped kitchens, designer furnishings, and more.

GRANDE CLUB AND RESIDENCES

Residents of the Grande community will enjoy elegantly appointed homes with all of the amenities of home ownership, yet with few of the responsibilities. Grande delivers management expertise and concierge services alongside the systems and support to ensure comfort and convenience. From luxuriant, manicured lawns to housekeeping and caretaker services, homeowners will be surrounded by lavish amenities.

Additionally, the Grande Residences offers the services and facilities of the Grande Racquet Club. The development will include 16 tennis courts, a clubhouse, and a pro shop as part of the Racquet Club. Spa and wellness centers supplement the facilities. Top tennis professionals and a tennis concierge will enable members and guests to enjoy the best of tennis in a thriving financial metropolis.

GRANDE RACQUET CLUB

Play with a Purpose.

The Grande Racquet Club supports a private community of tennis enthusiasts and casual fans. It develops a robust membership from individuals looking for workout and social partners, families, couples bonding over a common interest, and corporate associates, to name a few. Supporting it all is a staff dedicated to the comfort, happiness, and security of every member.

Time-tested strategies form the foundation of instruction at this exclusive community. Camps and clinics, as well as group, private, and semi-private instruction teach the on- and off-court tactics, techniques, and mental fortitude needed to excel at the game. Flexibility in the lessons enables the program's tennis pros to deliver personalized instruction that matches a player's desired skill level and preferred mode of play, whether casual, competitive, or something in between. An onsite concierge helps members identify what workout, regimen, and tennis program to participate in each week.

As a social and sports club, the Grande Racquet Club presents a carefully curated assortment of community-minded events. In addition to round robins and member tournaments, the Racquet Club runs cocktail mixers, pro exhibitions, group wellness and fitness activities, and family-oriented programming. Responsive to community needs, the Racquet Club helps members get the most out of their schedule, while adapting overall programming to the community.

CITIZENSHIP BY INVESTMENT

The United States of America, commonly referred to as the United States (U.S.) or America, is a federal republic composed of 50 states, a federal district, five major territories and various possessions.

The U.S. immigrant investor program is the most flexible of its kind in the world. The U.S. has no requirements as to age, business training and experience, or language skills. Permanent residents need not be continuously and physically present in the United States, and they can maintain business and professional relations in their country of origin because it does not require immigrant investors to manage their investment on a daily basis, but rather to 'actively engage' in a business enterprise, meaning they can be limited partners and pursue other professional or personal ventures.

The Benefits of E-2 Visa Include:

- Legal status in the USA
- Pathway to Permanent Resident status by expanding business and employing 10 people
- The possibility of U.S. citizenship 5 years after obtaining Permanent Residency
- Work permit issued to spouse and children up to the age 21
- Processing time 6-12 months
- Visa renewable as long as business is operational and making enough profit to support the applicant and his/her family
