Blessed with perfect year-round weather and encompassing a little over 130 square miles of deeply fertile soil, Grenada is known as "The Spice Isle" for its cultivation of a wide variety of spices including nutmeg and cinnamon. Your day can be filled with the exciting adventures you will have exploring the island's verdant rain forests, visiting deserted islands, touring local plantations, tubing down its mountain rivers, snorkeling its world famous coral reefs, deep sea fishing and diving on sunken ships, and enjoying its vibrant nightlife and festivals.

Grenada is where all that you have worked for at last enables you to enjoy all that life has to offer.

*St. George's* the capital

Walk the charming streets of St. Georges, visit the bustling markets and join in the many local and international festivals. You will quickly see why Grenada has the reputation as one of the safest and most serene of Caribbean destinations.

What is 'The Point' of being a success if you don't live life to its fullest?

Grenada is one of the most beautiful islands in the Caribbean and Petite Calivigny is probably the most spectacular location on the island.

This is where construction is currently underway to create a world-class, one-of-a-kind, resort complex that is comprised of over 100 units including luxury villas, condominiums, bungalows and suites that will offer our clients an upscale environment for the vacation experiences of a lifetime.

# *The Point at Petite Calivigny* A 5-STAR RESORT AND PRIVATE RESIDENCE CLUB

This world-class, one-of-a-kind, luxury resort and private residence club is located on it's own little corner of paradise. The lush, totally private grounds slope down to a pristine white sand beach and a modern deep-water marine facility that is designed to appeal to affluent and discerning individuals.

The entire resort enjoys a 180 degree westward-facing seascape that guarantees spectacular sunsets every evening. Virtually everywhere you turn are spectacular views, including Calivigny Island, Hog Island, and the marine sanctuary of Woburn Bay. Yet as secluded as The Point is only 15 minutes from Maurice Bishop International Airport — serviced by major carriers from North and South America, Europe and the Caribbean.

The Point at Petite Calivigny will be divided into discreet zones to cater to

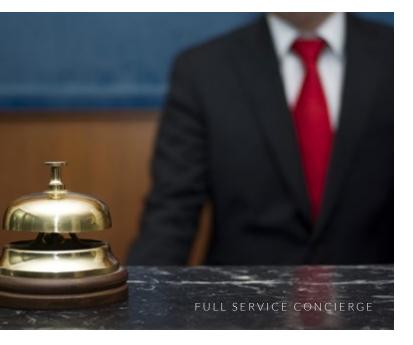

every class of vacationer from partyoriented singles, whose tastes go beyond Ibiza, couples seeking a do-not-disturb romantic getaway, yoga practitioners yearning for a Caribbean retreat or high-energy families looking for fun in an endless sun and the latest water sport toys afloat. The entire resort is a playground for "kids" of all ages.

The one thing they will all share is an appreciation for the finer things of life and an expectation of a once-in-a lifetime vacation experience.

The Point guarantees that no one will be disappointed.

The Point will provide a range of exquisite dining options with international menus , over-the-top service, stylish intimate bars and hideaway environments. "The Point" will offer an un-surpassed range of accommodation options from exquisite Villas and spectacular Terraced Suites, which are adjacent to beautiful free-form swimming pools and are perfect for lounging or entertaining, to spacious Seaside Rooms that are steps from the beach where guests can be lulled to sleep by the sounds of waves gently lapping the shore.

By offering a unique mix of cutting-edge design and a passion for food, fashion, music and entertainment, the creators of The Point are totally committed to creating a resort that will become THE Caribbean resort destination of choice from the first moment it opens it's doors to the world.

### IT'S AS SECURE AS IT IS BEAUTIFUL. AND, AS YOU CAN SEE, IT IS EXTRAORDINARILY BEAUTIFUL.

In spite of the very safe environment, it's still comforting to know how much emphasis we place on 24/7 security, most evidenced by the Gatehouse entrance to The Point at Petite Calivigny, perimeter fencing, development-wide CCTV surveillance system, and a well-trained security staff.

This is also why our building sites are larger than most, why we've chosen a site with a sloping topography which further separates the lots, and why our marine facility and beach are exclusively for the very private use and enjoyment of The Point's guests and residents. 15 THE POINT AT PETITE CALIVIGNY

Our dedication to preserving the pristine environment in every aspect of the site's development and operation.

The developer of The Point has deep and special ties to Grenada, having grown up on the island, swimming in its crystal clear waters, walking on its flawless beaches, and hiking its lush trails to majestic waterfalls.

His commitment to using environmentally responsible building materials as well as eco-friendly building methodologies and practices is rooted in his love for Grenada's natural and abundant beauty. So, yes, The Point offers a truly luxurious lifestyle, but it is one that, in every important way, is in harmony with its natural surroundings.

### An Incredible Investment Opportunity

### YOUR INVESTMENT IN THE POINT RESORT IS MORE THAN JUST A VERY SMART THING TO DO WITH YOUR MONEY. IT'S A BRILLIANT THING TO DO WITH YOUR LIFE.

Fractional ownership is ideal for those who want to live the Caribbean lifestyle but are unable to commit the time each year to justify the investment in full ownership of one of our luxury properties. It provides all the privileges of ownership and membership whilst limiting your annual running costs to only the time owned. The Point community is projected to develop considerably over the coming years, while local government incentives and legislation mean Grenada has never been a more appealing investment opportunity.

These are the additional benefits that fractional ownership provides:

#### • Title Deed

Fractional ownership provides you with a title deed that reflects your financial interest in the resort. As well as being negotiable at a future date it can also be passed on to your children. In this way you will be ensuring a future filled with luxury lifestyle vacations for both yourself and your family.

#### Vacation Entitlement

When construction is completed for phase 1 (planned for 2017) you will be entitled to 5 weeks per year for personal use of the condo or villa and access to all the fine dining and recreational facilities of the resort.

#### • Professional Property Management

At all times you will have the peace of mind of knowing that the resort and your property is being professionally managed by a reputable 5 star resort management company. This relieves you of the many stresses involved in managing a private property yourself from another part of the world.

#### • Return on Investment

You may also choose to not use your 5 week entitlement. If this is the case, the property can be rented and you will receive a share of this rental income. This can result in a significant return on investment.

#### WHY FRACTIONAL?

the PEOPLE of GRENADA

### GRENADIANS ARE EXTREMELY CHEERFUL BY NATURE. OR MAYBE IT'S ALL THAT NATURE OFFERS HERE THAT MAKES THEM THAT WAY.

Grenadians have much to be cheerful about, starting with their lush island's spectacular and varied natural beauty that contributes to Grenada's reputation as the gem of the West Indies. Then there's the consistently lovely, mild weather and trade winds due to Grenada's proximity to the equator.

Plus, it's almost impossible to ever be bored on this island of gorgeous golden beaches, countless waterfalls in verdant rain forests and beautiful coral reefs.

So while this is indisputably one of the Caribbean's most beautiful places, it is the people of Grenada who truly make it the gem it is.

#### GRENADA CITIZENSHIP BY INVESTMENT

Grenada's Citizenship by Investment Program (CIP) allows individuals and their families to obtain citizenship or permanent residence by:

- making a payment into the National Transformation Fund; or
- making a payment towards an approved project in Grenada

It has been re-established by the Citizenshipby-Investment Act, No. 15 of 2013 passed by the Grenadian parliament. In order to preserve integrity and value of Grenadian citizenship a strict protocol has been established in which application is by invitation only. All applicants, including family members and business partners, must be individually vetted and approved by the Government of Grenada.

Interested parties in the Grenada CBI program are required to work through a CBI licensed Marketing Agent. The role of the Marketing Agent is to provide information on the Program, the Investment, and to act as the liaison between the Investor and the Local Agent and Escrow Agent. The Local Agent also acts as Escrow Agent under the Program and will provide you with the terms of their engagement regarding the services to be rendered to you. The Marketing Agent may also provide assistance in ensuring accurate completion of the required forms and supporting documents which are to be submitted to the CBI Committee by a Local Agent. In addition, the Marketing Agent will also provide information pertaining to CBI approved real estate developments.
