Why Choose Roatan?

The Caribbean coast of Honduras is one of the most popular vacation destinations of the country and part of the Mesoamerican Reef, the second largest reef in the world. Featuring white sandy beaches and surrounded by brilliant coral and exceptional marine biodiversity, Roatán is a world-class scuba diver’s and snorkeler’s paradise. The island is also known for many other water sports activities such as fishing, boating and sailing. The reef surrounding the island attracts beautiful tropical fish and snorkelers alike. Dive attractions include sea walls, shipwrecks, a submerged airplane, and night diving. Sea turtles, dolphins, and whales swim in the waters of Roatán.
